RESUME ABOUT ME

PERSONAL INTERESTS

My occupation, my two boys, 13 and 12, and my partner leave me little spare time, but with little I have I follow my passion for playing, supporting and coaching the beautiful game, football.

I love the outdoors which includes walking and skiing in the beautiful New Zealand wilderness. I also have a healthy interest in music and films, plus a love of the visual arts, which has captivated me all my life.

PERSONAL INFORMATION

I have an easy going, friendly nature that enables me to interact and communicate very effectively with my peers and associates.

Either working self-directed on my own, or as a member of a team, I am equally happy. I am driven when it comes to my work and cannot rest until a project comes up to the very high standards that I set myself.

Whether working or in life generally, I relish a challenge and enjoy learning new skills.

Apart from minor football injuries, I am generally in excellent health.

I have a full, clean, driving licence.
